PAYMENT METHODS

Accounts will be forwarded four times per year i.e. one per term.

Our preferred payment methods are Direct Debit or BPay which are convenient and cost-efficient ways of paying your fees. Should you wish to pay via Direct Debit, forms are available from the School Office. Please note a new Direct Debit Authority needs to be completed each year. Bpay payments are easy to set up online or direct with your financial institution and can be set up for various frequencies eg monthly, quarterly. Our BPay account details will be included on our 2017 invoices.

EFTPOS and credit cards facilities are also available through the school office.

Our fees include CCI Insurance School Care for each child. This is a personal accident policy for each of our students and covers all school-related activities.

While the school fees will be billed on a term basis (4 times per year), parents are most welcome to pay their fees in any form that suits their budget-fortnightly, monthly, term or annually in advance.

N.B. School Fees (including the compulsory Building Fund Levy) are **not** tax deductible.

CONCESSIONS AND EXEMPTIONS:

All concessions are reviewed **annually** and involve completing a Concession Application form and providing proof of income etc and if necessary attending an interview with the Finance Secretary or Principal. All genuine cases of financial hardship will be considered, however, it is our hope that all families will make a concerted effort to meet their financial obligations.
