	-----
	<b><u>\$5176 per year (\$1294 per term)</u></b>

## **ADDITIONAL LEVIES**

### **Prep**

In addition to the fees and levies quoted previously in this letter there is a \$160 levy per child which is charged in the first term of school. The levy is in lieu of a booklist.

### **Technology Levy – Year 4, Year 5 & Year 6**

In addition to the fees and levies quoted previously in this letter there is an annual levy of \$480 per child in Year 4, Year 5 and Year 6. A quarter of the levy is charged each term.

## **PAYMENT METHODS**

Accounts will be forwarded four times per year i.e. one per term. In order to assist the School's cash flow and ensure expenses are able to be paid when they fall due and to help you with your household budgets, **we ask all parents for 2018 and beyond to complete a Direct Debit Request Form to cover the yearly tuition fees, levies and charges.** Payment by Direct Debit is a convenient and cost-efficient way of paying your fees as payments can be set up weekly, fortnightly, monthly, quarterly or annually giving you the flexibility to choose a frequency that best suits your individual circumstances. Direct Debit forms are included in the School Fees Pack or available from the School Office. Please note a new Direct Debit Authority needs to be completed each year. **All families are asked to complete the Direct Debit form and return it to the School Office by week 2 of Term 1.** Please refer to the School Fees Pack for more information.

We also offer options to pay via Bpay with your financial institution or EFTPOS and cash through the School Office.

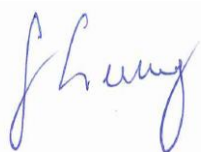

Our fees include CCI Insurance School Care for each child. This is a personal accident policy for each of our students and covers all school-related activities.

While the school fees will be billed on a term basis (4 times per year), parents are most welcome to pay their fees by the frequency that suits their budget-fortnightly, monthly, term or annually in advance.

N.B. School Fees (including the compulsory Building Fund Levy) are **not** tax deductible.

## **CONCESSIONS AND EXEMPTIONS:**

All concessions are reviewed **annually** and involve completing a Concession Application form, providing proof of income etc. and attending an interview with the Finance Secretary or Principal. All genuine cases of financial hardship will be considered, however, it is our hope that all families will make a concerted effort to meet their financial obligations.
