ADDITIONAL LEVIES

Prep
In addition to the fees and levies quoted previously in this letter there is a $160 levy per child which is charged in the first term of school. The levy is in lieu of a booklist.

Technology Levy – Year 4 & Year 5
In addition to the fees and levies quoted previously in this letter there is a $120 levy per child in Year 4 and Year 5 which is charged each term of school.

PAYMENT METHODS
Accounts will be forwarded four times per year i.e. one per term.

Our preferred payment methods are Direct Debit or BPay which are convenient and cost-efficient ways of paying your fees. Should you wish to pay via Direct Debit, forms are available from the School Office. Please note a new Direct Debit Authority needs to be completed each year. BPay payments are easy to set up online or direct with your financial institution and can be set up for various frequencies eg monthly, quarterly. Our BPay account details will be included on our 2016 invoices.

EFTPOS and credit cards facilities are also available through the school office.

Our fees include CCI Insurance School Care for each child. This is a personal accident policy for each of our students and covers all school-related activities.

While the school fees will be billed on a term basis (4 times per year), parents are most welcome to pay their fees in any form that suits their budget—fortnightly, monthly, term or annually in advance.

N.B. School Fees (including the compulsory Building Fund Levy) are not tax deductible.

CONCESSIONS AND EXEMPTIONS:
All concessions are reviewed annually and involve completing an “Income and Expenditure Statement” and if necessary attending an interview with the Principal. All genuine cases of financial hardship will be considered, however, it is our hope that all families will make a concerted effort to meet their financial obligations.
